# Tableau GPT

AI-powered data visualization and storytelling.

The screenshot shows the Tableau website homepage. At the top left is the Tableau logo with the text "from Salesforce". To the right are links for "Contact Us", "1-800-270-6977", and "Sign In". Below the logo is a navigation bar with "Products", "Customers", "Solutions", "Resources", and "Pricing". On the right side of the navigation bar are "Try now" and "Buy now" buttons. A blue banner across the middle of the page reads "Einstein Copilot for Tableau has been upgraded to Tableau Agent". The main content area has a light purple background with a pattern of dots. On the left, the text "AI in Tableau Accelerate your data culture with AI-powered insights." is displayed in a mix of blue and purple. Below this text is a "WATCH NOW" link with a right-pointing arrow. On the right side of the main content area is a 3D illustration of the Tableau Agent, a small character with white hair and a brown jacket, standing next to a smartphone and a laptop. The smartphone screen shows a "Today's Pulse" dashboard with a line chart and the value "\$10.7M". The laptop screen shows a more complex dashboard with multiple charts and tables. At the bottom of the main content area, the text "AI Analytics is for everyone" is written in blue.
